Moving Towards a Brighter Future for Our Children

61st Annual Meeting

Vancouver, BC Canada

October 10-13, 2007

The 2007 Program will include:

- 72 Free Papers
- 36 Instructional Courses
- Over 100 Posters
- 10 Breakfast Sessions

The program will also feature the crowd-pleasing Point Counter-Debates, Specialty Day sessions and new this year, State of the Science sessions. In addition, there will be notable speakers and award recipients.
