

COMING IN 2015...

A new print magazine for amputees, brought to you by the publisher of *The O&P EDGE*.

The buzz on the block is that *Amplitude* magazine offers fresh, unbiased, and relevant content. It is poised to enrich and enhance the lives of amputees, their families, and their caregivers.

“*Amplitude magazine provides valuable news, information, and resources for amputees who want to live more fully. It offers content on a wide variety of topics, including peer support, active living, emotional issues, health and wellness, mobility, and adaptive living—anything that will help amputees enjoy all that life has to offer.*”

—Tonja Randolph, president,
Amplitude Media Group
