Specialty Shoes For Mild or Severe Foot Deformities

Charcot Deformity? Lymphedema? Rheumatoid arthritis? Pes planus?

Do not send your patients away, we have the shoes for them.

Mt.Emey THERAPEUTIC LINE-

Accommodate, NEVER correct!

People with Charcot, Edema, Hammer Toes, Bunions and R.A foot could not tolerate much correction or pressure caused by footwear.

Proper fitting of footwear is essential and we have the shoes for any of the aforementioned situations. Whether for Depths, Widths, Sizes or even for Shape, select from our variety of styles to fit that special foot of your patient. Call our friendly customer service at 1-888-937-2747 for more information or free samples.

We cover 100% of your patient base.
