vista
LOWER SPINE

Capturing the comfort and support of the SUMMIT Line and the post-operative support and modularity of the Contour Line, the Vista Lower Spine Line provides a truly versatile option to care for the patient from post op to pain relief.

The Vista Lower Spine Line is a one size adjustable product that can be stepped down from a full TLSO to a basic Pain Relief Orthosis. Configurations Include:

- Vista 464 TLSO
- Vista 637 LSO
- Vista 631 LSO Lo Pro
- Vista 627 Lumbar
