### Vista Lower Spine Line

Aspen's dedicated commitment to research and development has resulted in the most advanced lower spine bracing system available. Each brace can be significantly modified to treat specific patient indications while supporting a healthy recovery. This modular and versatile line reduces inventory requirements and delivers:

- Maximum post-operative support
- Ability to easily step down as patient improves
- Comfortable, one size adjustability
- Tri-band system offers stability and structural integrity

Codes L0464, L0639, L0637, L0631 and L0627 Approved
