

**New!**

Digital Order  
Technology  
(DOT)

**The UTX® Line** of custom stance control KAFO's can now be ordered using **Ambrose Digital Order Technology (DOT)**, which only requires the use of your smartphone's camera and a special wall template that can be ordered through Becker Orthopedic. With the patient positioned on the template, simply take a picture with your Smartphone and email it to our Custom Fabrication Services Department for processing.
