

California State University Prosthetic and Orthotic Education Programs

CSUDH is recruiting qualified students for its 2009 prosthetic and orthotic certificate programs and its bachelor of science in health science, prosthetics option.

- ▶ Programs feature hands-on laboratory experience based on evidence-based practices.
- ▶ CSU is relocating to the Long Beach VA Medical Center in January 2009; teaching will occur in a new 9,500 sq. ft. laboratory.
- ▶ Spring 2009 prosthetic certificate applications are available online now; due September 12, 2008.
- ▶ Orthotic certificate program will be offered in Fall 2009.
- ▶ BS in health science, prosthetic option, applications available in April 2009.
- ▶ All prosthetic and orthotic programs fully accredited by NCOPE/CAAHEP.
