“Getting covered. Dominating the barrel. The adrenaline rush. Tim loves trying to keep up with me!”

-Venture Foot

VENTURE

BETTER, STRONGER AND MORE DURABLE THAN EVER BEFORE

Using innovative, guided ramp and micro-cell technology, the improved Venture Foot provides a wide range-of-motion for virtually any activity with increased durability and new 275 lbs (125 kg) weight limit. Venture, the ultimate fusion of power and agility.

The Venture Foot’s buddy, Tim Sutherland, is set to compete in the eX2 Games in 2007!
