

INSPIRED BY HEROES BUILT FOR HEROES

INTRODUCING THE TACTICAL SOLEUS FOOT, BUILT FOR THE HEROES AMONG US.

Its lighter, stronger and more rugged design can overcome barriers whether on the front line or the home front. Engineered and manufactured right here in the U.S.A, the Tactical Soleus is only available for a limited time.

The foot was inspired by Dale Beatty, Military Veteran, bilateral amputee and co-founder of Purple Heart Homes. His organization is committed to no Veteran left behind and provides personalized housing solutions for service-connected, disabled Veterans and their families.

COME MEET DALE
2012 AOPA
NATIONAL ASSEMBLY
BOOTH 1805
SEPTEMBER 7, 2012

Starting on July 4, 2012, College Park will donate \$200 of each Tactical Soleus purchase directly back to **Purple Heart Homes**. For more information visit phusa.org or call 800.728.7950
