

cp ideal

IDENTIFY | INNOVATE | INDIVIDUALIZE

CPideal is our pursuit of the ideal form, fit and function for each individual. We begin by identifying the critical needs of our customers, then create innovative designs to provide an ideal performance. Finally, each foot is custom built and shipped the same day to provide individualized solutions from thousands of possibilities.

The **Soleus**[®] – with an innovative multiple spring design – produces natural movement, smooth transition and superior range of motion.

You can trust College Park to create your patient's **CPideal**.
