

LOCK IT UP!

DURABLE & WATER RESISTANT

HEAVY DUTY AIR-LOCK

Coyote Design has a new heavy duty Air-Lock option that includes our solid brass pin.

CD103H | Air-Lock

350 lbs weight limit
Activity Level: Any

- Great for active and heavier weight patients
- Pin may help reduce or eliminate noise issues.
- Increases the Air-Locks weight capacity to 350lbs.

Patent No. 6334876

PROXIMAL LOCK

- ZERO CLEARANCE lock
- Controls rotation
- Use with your choice of distal adapters
- Larger attachment distributes more tension; rolls on easier
- Strip now added for reinforcement, less friction and repair

CD116 | Proximal Lock

Patent No. 6666894, 7431738, 7077868.
Other patents pending.
