

# Let Complete Professional Office Services Help You

## **AVOID:**

- interrupted, slow, and low reimbursements
- financially threatening poor audit results

## **ACCEPT:**

- efficient and reliable billing
- compliance, and accounting functions

**Complete Professional Office Services (CPOS)** provides state-of-the-art, fully staffed billing, compliance, and accounting functions. Continuous updates ensure compliance with all new documentation, billing requirements, and compliance issues instituted by Medicare and HIPAA. **O&P Exclusive!**
