EVOLUTION ORIGIN

Originating from our custom Silk liners, Origin off the shelf liners are designed by a certified Prosthetist, and are available in standard sizes.

- The **BEST** choice for **Vacuum Socket Systems**
- Manufactured with a unique medical grade silicone formula developed specifically for the Orthopedic industry.
- Doesn't reduce in thickness or change shape over time.
- Superior tensile and tear strength
- A silky surface that allows the liner to slide on itself
- No coatings that crack, peel, or wear off
- No covers to tear or run
- Easy to don and doff

Origin liners are also available in pin configurations for non vacuum systems.
