

Some
impressions
are fleeting.
Others last
a lifetime.

With so many people counting on your business to run smoothly – and continue to leave a lasting impression – you need comprehensive insurance protection that’s custom-designed to meet your unique needs. That’s where we come in.

The Hartford and the Chittenden Insurance Group have teamed up to bring you an outstanding all-lines business insurance program specifically for O&P. It features:

- Professional liability coverage that extends to negligence in designing or providing a device
- Broad property and general liability protection
- Workers’ compensation, automobile and umbrella coverage

- Professional loss control services
- Fast, 24-hour claim service

Chittenden is staffed with knowledgeable professionals who can match the right coverage to your needs, and The Hartford is an A+ rated insurance company that has been delivering on its promises for more than 195 years.
