SoftSkin Air

The world's only *breathable* silicone liner.

New

The worlds first breathable liner.

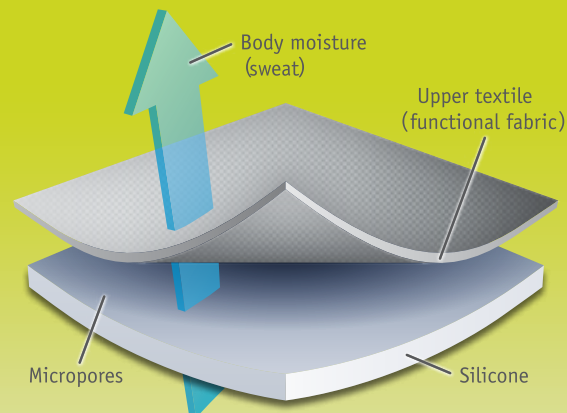

In stock and ready to ship!

Thanks to its distinctive structure, the new SoftSkin Air reduces the build-up of sweat on the skin inside the liner. Any moisture produced is drawn away from the stump by special micropores.

- Benefits:
- Reduced sweating thanks to micropores
 - More security thanks to an improved grip
 - Better, longer-lasting wearing comfort
 - Less skin irritation
 - Easy to use
