

# SoftSkin *Air*

The world's first **BREATHABLE** silicone liner.

***In stock and ready to ship!***

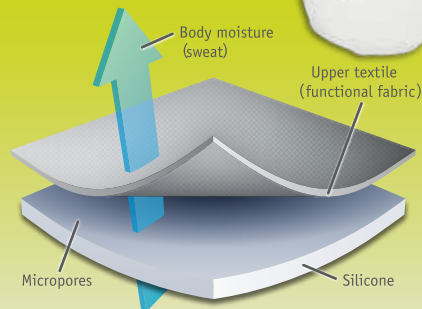

Thanks to its distinctive structure, the new SoftSkin Air reduces the build-up of sweat on the skin inside the liner **by wicking away perspiration all the way through the cover.**

- Micropores draw moisture away from skin
- More security thanks to an improved grip
- Better, longer-lasting wearing comfort
- Less skin irritation
- Easy to use
- ***Hundreds of satisfied patients in the USA & Europe!***
