

HOSMER OSCILLATOR™

IT'S MORE THAN
MEETS THE EYE

IT'S FUNNY,
WITH MY
OSCILLATOR I
FORGET I'M
WEARING MY
LEG...EVEN
OUT HERE!

NOT FUNNY
TO ME! MY
POLYCENTRIC
HYDRAULIC
DESIGN LETS
ME WORK
WITH YOU

LET'S TRY A
ROCKY
SLOPE FOR
A CHANGE

HEY, AT
THE TOP,
NO
PROBLEM

I WONDER
IF I COULD
MAKE IT TO
THAT ROCK

WHEN EVER,
WHERE EVER,
I'VE GOT
YOUR BACK!!

The Hosmer Oscillator Knee is a 5-Bar Glide-Flex polycentric knee with a rotary hydraulic control system. It has an independent flexion & extension adjustment and an adjustable stance flexion stability. The high strength aluminum alloy on the Oscillator Knee is rated for 300 lbs. with a 1 year warranty. It's more than meets the eye, The Oscillator Knee from Hosmer.
