

THE KINETIC REVOLUTIONS ADJUSTABLE PYLON:  
**NOW ADJUSTS YOUR  
B O T T O M  
LINE**

**Medicare and Most Insurance Companies Now Offer Reimbursement**

Turn a “sunk” cost into as much as a \$200 profit when you use Kinetic Revolutions’ Adjustable Pylons for your patients. Offering strength, stability and height optimization, these pylons are trusted by practitioners for patients of every age and activity level. Designed and tested for definitive use, they eliminate cutting, grinding and wasted scraps, maximizing practitioner efficiency and patient convenience.
