

SUPERSTEP[®]

Top Cover
material contours the foot, provides lasting comfort and increases shock absorption.

Poly Shell
available in three different flexibilities!

Bottom Cover
provides additional shock absorption and proper shoe fit.

New From KLM Labs: SUPERSTEP Orthotic Insoles.

Based on KLM's System Rx technology (US Patent No. 5,746,952), SUPERSTEP Orthotic Insoles come in three flexibilities:

SUPERSTEP MAX: semi-rigid poly shell provides firm arch support and maximum pronation control.

SUPERSTEP MEDIUM: semi-flexible poly shell provides intermediate arch control and medium pronation control.

SUPERSTEP MILD: Forgiving poly shell provides flexible arch support and mild pronation control.

Four color clamshell packaging has professional, medical appeal.

Priced to sell: \$10.25 per unit. Volume discounts available.

Suggested retail price: \$50.

Once again, KLM applies research to create technology that adds Quality In Every Step!

SUPERSTEP Orthotic Insoles come in Men's sizes 4-14.5 and Women's sizes 6-16.5. Ordering is easy. Cut out this page, fill in your account info, place quantities with the flexibility, and fax to: 800-556-3338.
