KNIT-RITE IS PROUD TO CELEBRATE 80 YEARS OF INNOVATION.

How do we measure our eight decades of success? One confident, more comfortable footstep at a time. That's because, since 1923 Knit-Rite has dedicated itself to the research and development of the most innovative O&P textile products in the industry. From our patented Diabetic and AFO Socks to our Torso-Interface and Arm Sleeves, thousands of patients have found their lives improved thanks to Knit-Rite products.

And this year, in keeping with our long history of "firsts," Knit-Rite is proud to introduce a line of products featuring remarkable **X-Static[®]—The Silver Fiber.[™]** This high-performance fiber system is made with pure silver, known for its superior anti-microbial and thermodynamic properties—creating the most comfortable and hygienic O&P garments on the market today.

For the best textile innovations in the industry, be sure the label says Knit-Rite. Ask your Knit-Rite representative or distributor for more details by calling 1-800-821-3094 or by visiting us at: www.knitrite.com.
