

medi *for help*

medi for help® is a non-profit organization that provides improvements in clinical care, medical training and education to people in crises areas.

medi for help works with St. Vincent P-O Lab in Port-au-Prince and the medi Lab in Artibonite for prosthetics, the wound clinic at Bernard Mèvs Hospital in Port-au-Prince and the Lymphatic Filariasis Clinic in Leogane at Hospital Sainte Croix.

100% of all monies within medi for help go directly to the charitable works.

Please donate by visiting:
