CERVICAL COLLAR

ONE BRACE FOR ALL PEOPLE

PROGLIDE® 180

VENUM® HYBRID

The NEW PROGLIDE® 180 multi-post collar is the newest addition to OPTEC's revolutionary PROGLIDE® cervical collars. The PROGLIDE® 180 allows you to get it right the first time with just one adjustable size, while reducing inventory and saving you money. The anterior and posterior incorporate a height adjustment mechanism to provide a customized fit, resulting in greater motion control. Our new liner pads offer unparalleled support and comfort, especially to the mandibular & occipital region pressure points. The PROGLIDE® is a complete solution to individuals with cervical injuries that require the use of an extended wear collar.

ONE BRACE fits above all the rest! Fabricated using the most advanced technology and materials, the New VENUM® HYBRID is the pinnacle of ONE-SIZE-FITS-ALL spinal systems. The VENUM® HYBRID is the ONLY brace you will ever need to fit patients' of all different sizes and shapes. With activity levels ranging from a young athlete recovering from a sports injury, to a post-operative geriatric patient that requires immediate pain relief and comfortable support.
