

HANDMADE AND CUSTOM FIT
TO PROVIDE SUPERIOR CONTROL
FOR ALL SIZES AND STANCES.

“DITTO.”

Orthomerica provides a complete range of lower extremity orthotic solutions. Custom-made for superior comfort. Rigorously designed to be the ultimate in performance. Precision-fit for superior control. The TC Flex Plantar Blocker is a prime example of how superior, comfortable fit leads to better results. This specific group of orthoses provides varying levels of dorsiflexion and plantarflexion control without the need for articulating joints. See Orthomerica.com/ditto for more information.
