

## THERE'S NO SUCH THING AS AN OFF-THE-SHELF LEG.

You know what you get with Orthomerica and it is certainly not "off-the-shelf." We provide a complete range of lower extremity orthotic solutions – as individual as the patients who wear them. Custom-made for the ultimate in performance. Precision-crafted for superior comfort. Rigorously designed to be the acknowledged industry standard.

The TC Flex™ Articulating Combo is a prime example of how superior, comfortable fit leads to better results. Visit us at [Orthomerica.com/tcflex](http://Orthomerica.com/tcflex) for more information about our TC Flex collection—**100% custom. 100% of the time!**
