## We put our feet on trial, now it's your turn — with a 60 day free trial.

Otto Bock's family of carbon feet offers you everything you look for when selecting a foot for your patient. We test every foot to ISO standards and beyond, making sure they stand up to the test of time. We also put them on our functional testing robot to ensure their design and function meets your patients needs no matter what the activity level.

So why not put one on trial? Select the foot suitable for your patient's needs and let them try it for 60 days\*. Like it? Keep it! If not, send it back.
