

Comfort without compromise.

**Built to
withstand the
toughest test.**

Time.

In feet, there are ISO standards and then there are Otto Bock standards. Otto Bock feet withstand intense, non-stop mechanical endurance testing. Testing that other manufacturers' feet fail.

Using the proven Springlite design, we re-engineered our feet to survive the ultimate test in durability. We are so confident they will exceed your standards, we've given them a 36-month warranty—the longest in the industry!

For more information or to place an order for the Advantage DP2 or LuXon Max DP, call us today at **800-328-4058** or visit www.ottobockus.com.
