

Alpha[®] Silicone Liner

Building on a long tradition of comfort, the Alpha Silicone Liner unites silicone, skin conditioners, a progressive profile, and custom-made fabric. Experience silicone with the Alpha touch.

- Proprietary blend of silicone, Vitamin E, and skin conditioners
- Non-greasy and non-tacky surface
- Platinum-cured, medical grade silicone
- Retrofits with thermoplastic elastomer liners with a progressive profile
- One-way stretch Select fabric controls pistoning without a distal matrix
- Flared shape contours to a limb's surface for an intimate fit
- Flexible knee panel provides enhanced knee flexion
- Available in Locking and Cushion
