

WillowWood[®]
CUSTOM SOLUTIONS

Customized for patients.
Streamlined for clinicians.

WillowWood's Custom Solutions Department makes it even easier for you to give your patients a more comfortable fit. And with our pricing structure, it's never been more affordable. We're proud to offer the most competitive pricing for customized prosthetics, and because there are no hidden fees, it's easy to see the total price at a glance. Plus, with order forms that streamline the ordering process, WillowWood Custom Solutions is your partner in providing patients with customized prosthetics.
