

# Your service is our priority

Spinal pathologies don't solve themselves magically by 5:00PM everyday. Often, your patient's care or your referral source demand attention overnight or on the weekend.

At Spinal Technology, we're committed to supporting you, the practitioner and your patients, whenever and wherever you need us. Your referral sources are as important to us as they are to you.

Place your order up to 10:00PM EST weekdays or 9:00PM Saturday EST\*, and we'll put a quality Spinal Technology orthosis in your hands by 10:30AM\* the next business day or by Saturday standard delivery.

We're ready when you are.
